

May 30, 1981

P.S. Interesting note: The S.I.s have told me that they are also going to attack U.S. scientists who conspire to block them and block me.

Owens

Scientists and Contacts

As you know, from my letter to you of May 6... my UFOs told me that because their Base (\$5,000,000) had not been provided (with me, PK Man, as the "main spring") they were going to attack the "higher-ups of government." I even telephoned this to fact to Dr. Mishlove in San Francisco. Naturally I assumed this to mean the United States government since I was aware that my UFOs were "at war" with the U.S. govt.

Then followed the shooting of President Reagan.
Then the shooting of the Pope... and I began to realize that my UFOs had all humanity in mind.
Then President Roldos of Ecuador was killed.

Then President Moya of Bolivia quit.

Then President Rahman of Bangladesh was killed.

And I realized that my UFOs were going to strike all around the world at "higher-ups in government (not only the U.S.).

They are escalating their attack...
I can only hope that their Base is provided soon.

Owens

P.S. For those of you who might be
interested a new book is out having
a description of my work in it:

"UFO Encyclopedia" by
Margaret Sachs.
(Huge paperback.)

June 2, 1981

Scientists and Contacts ...

D. Mishlove and D. Scott Rogo have
written a true and accurate account of
my work.

Their book... has been unfairly blocked
from being published. (My UFOs say the
matter is invalid, and I believe them.)
My UFOs have communicated tonight... that if
the Mishlove/Rogo book about my work
is not truly bought for publication this summer
and published... then they, the UFOs, will destroy
the U.S. Stock Market, far worse than in 1929.
The UFOs have my permission.
