Re: THE WORLD'S MOST FAMOUS PSYCHICS SPEAK OUT ON UFOS

Dear Ted: *

As one of the outstanding psychics of our time, we would like to get your feelings -- opinions -- on a most fascinating topic: FLYING SAUCERS. Your response will be used as part of a forthcoming article to appear in SAGA magazine (circulation, 350,000).

THE QUESTION

In recent months quite a number of experts in the field of UFO research have arrived at the conclusion that the appearance of unidentified flying objects seen in our atmosphere for centuries may represent some form of psychic manifestation. There has also been theories to the effect that individuals who are gifted with extrasensory abilities tend to see UFOs more than people who are not.

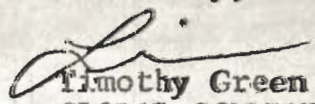

We would like to get your opinion on what flying saucers are. . . For example, who pilots them? Where do they come from? Why are they here? Are they friendly?

Most important of all -- please tell us what type of experiences you have had with them (i.e. sightings, astral trips to other worlds, telepathic contacts, face-to-face meetings with aliens, etc). Your help would be most appreciated.

If possible, please send along with this material a photo of yourself which can be used along with the completed story.

I look forward to hearing from you.

Sincerely,

Timothy Green Beckley, President

* Could you please write me a page on your experience at Westminster School? I don't believe this has been published in detail.

March 24, 1976...dear Timothy...it was good to hear from you.

And thank you very much...for including me in your group of "world's famous psychics", for the Saga article. To tell you the truth...I need some media exposure. I'll bet your article will be a dandy...because you are some good writer! Now, to answer your letter.

First, see ms. "A". It is a complete, detailed report of my trip to Scotland and England. The Warminster material you will find in there...all that you want and require, I am sure.

I think a bit of background would be good at this point. Years ago my brain was modified by UFO entities on the Mexican desert. After that, my IQ zoomed upward until I took scientific tests and my IQ was certified to be 153, verbal. Also, I began doing miracles...controlling weather, healing people, and so on. All this began after my brain modification. To prove that this was real...I documented all that I was doing, thoroughly, so that there could be no argument that I was causing the miracles to happen. For instance, let's just take one miracle. I told a scientist in a letter that I would cause a UFO to appear in a certain area of Virginia, within a certain period of time, and cause it to do a certain thing. The giant UFO appeared in that certain area in Virginia, within the necessary time...and did the certain thing. The scientist sent me a written confirmation of my success at communicating with UFO's (see "D"). Well, I could not have communicated with this UFO and brought it down as I did...if my brain had not been modified by the UFO's...and I had not literally been created a half-alien by them! All right...in early 1975 the UFO's communicated with me...and instructed me to get to Scotland and England...

so that they could RE-modify my brain! At the time I could only wonder why this would be necessary...but I never question UFO instructions, for they are infinitely intelligent...can see ahead in time...and so on. A wonderful woman, "Millie Anonymous" we'll call her...in San Francisco...supplied me with the funds to go to Scotland-England. First I went to Scotland. Found a driver to get me out into the dark, isolated shores of Loch Ness after midnight, where he let me out...drove away...then returned an hour or two later. UFO's appeared over the Loch, dipping and weaving. The Loch Ness Monster appeared in front of me...approx. 15 feet distance...and stared at me a full five minutes with its football-shaped head on its long neck. After several nights of going out onto the dark Loch by myself after midnight...and telepathing to the SI's (UFO entities) telling them that I was there...I moved my location to ages-old Urquhart Castle, on the edge of Loch Ness, not far from the tiny town named Drumnadrochit. A tough, former Sergeant-Major of the British Army drove me out each night after midnight...I walked alone through the dark a mile or so to the old, abandoned castle...climbed up through the darkened rooms and ruins atop a high parapet overlooking the Loch...and commenced telepathing to the SI's. Now, I had told the Sergeant Major that I was communicating with UFO's and trying to bring them out. I had also told my other driver in Inverness. One night a fiery UFO suddenly appeared over the castle, while I was busy telepathing...the next morning it was in the newspapers...Many people had seen the UFO and reported it to the police. The Sergeant Major gave me a signed confirmation. The Inverness driver gave me a signed confirmation. Also, surprisingly, the wife of the owner of the sole supermarket in Drumnadrochit had seen the UFO maneuvering over the castle...and gave me a signed statement to that effect. I.e., I had done exactly as I did with Dr. Max Fogel...brought out a UFO into plain sight by telepathing to it and requesting that it appear. (I've done this other times, too...documented...but I think that this will suffice.) After much exciting work done in Scotland...I went to England...made some tremendous discoveries with regard to Stonehenge; what it was for; how it works (yes, it still works, ages old though it is.) Went to Warminster and night after night after night went up onto Cradle Hill and another hill...alone in the blackness after midnight. One night a gorgeous, flaming UFO came whirling down to my exact location! It had a sound...a weird sound, half bird and half animal...which I got onto my tape recorder at the time. The famous English writer Arthur Shuttlewood, who lives in Warminster, came up to my hotel, heard the sound...and announced that it was the very same sound he'd heard when he was with a group on Cradle Hill some time before...when a UFO had also flown down to their location! (This is described in his marvelous book, "Warnings From Flying Friends", Portway Press, Warminster, Wiltshire, England. Arthur resides at 17 Portway, Warminster, England.) Arthur and I, after comparing notes, discovered to our amazement that many unusual things which had happened in our lives...were the same things! He is writing a new book...and is including a chapter about me and my work in it. At any rate...soon, after many nights of making successful contact with UFO's on Cradle Hill (one night five UFO's appeared over me) I began to notice physical differences in myself. The most striking...was a deep deep ridge that had suddenly appeared across the base of my brain...running from ear to ear across the back of my head. It was as if some operation had been performed on the back of my head...almost completely removing my skull at the back! So, the brain remodification had been completed by the UFO's!

It wasn't until I returned to the United States that the SI's told me W... they wanted to remodify my brain...to make it more powerful... so that I must go to Egypt and discover the secrets of the Pyramids. And...I did, but that is another story. Suffice it to say...if my brain had not been "beefed up" I would not have survived making mental contact with the ages-old powers STILL ALIVE AND ACTIVE in the Egyptian Pyramids!

To some of your questions: UFO's that I work with and for...come from another dimension, not another planet. They are piloted by entities of pure energy which, in their natural form are just white shafts of light...formless, really. They are certainly friendly; they have told me that they live forever, and are the very same ones that worked with Moses in biblical days! This could certainly be true...because by this time I have duplicated many, if not most, of the miracles of Moses! (See just one example, "E", where I stated in Brad Steiger's "What The Seers Predict For 1971" that by working with my UFO's...we would drive the whites out of Africa so that it could go back to its original people, the blacks...and once more become the paradise that it was before the whites took over and ruined it.) Their main interest at this time...friendly interest... is to block a nuclear shootout on earth that would wipe out the human race.

I have sighted many many UFO's. UFO's have followed me around like puppy dogs, while I drove my car over long distances. UFO entities have appeared in my home (an oil painting of one is shown on the cover of my book. I have had constant, daily telepathic two-way communication with the UFO entities for years.

This material is too much, I know, Timothy...but I'd always rather send too much than not enough. PLEASE return the book and xerox copies, to be replaced in my files, okay?

Let me add...all that I have told you IS ACCURATE AND TRUE.

Have added a bit of other material...which might have importance for you personally, or for your article.

Best wishes to you...and remember to return the material!
